

Instrumentation and Signal Processing Winter School 2015

Department of Electrical Engineering, IIT Kharagpur
3-4 January 2015

Congratulations! on being selected to participate in the ISP Winter School 2015.

We had received a total of 80 applications till the deadline on 14 Nov. 2014 and based on the research abstract, the area chairs and school directors have short-listed during the selection meetings between 17-20 Nov. 2014 at the Department of Electrical Engineering, IIT Kharagpur.

Selected participants would have received an email with the details instruction on further proceedings. If your name is on the selected list, but have not received an email till Friday, 21 Nov. 2014 with a form to be filled up, then please write to ispschool.ee.iitkgp@gmail.com

You would need the following information while filling in the one time only submission form you would receive on email.

1. Title of your research poster to be presented (within 8-18 words)
2. Abstract of your research poster (100-200 words, max upto 1,500 characters)
3. Travel plan including the date and time of your arrival at and departure from IIT Kharagpur.

Your accommodation would be arranged at one of the Guest Houses on IIT Kharagpur Campus from evening of 2 Jan 2015 till early morning of 5 Jan 2015.

Travel expenses are not covered as a part of this registration and no travel re-reimbursements would be provided.

RESEARCH POSTER:

Please prepare an A0 size research poster to be presented during the brain-storming session at the ISP WS 2015. You will have to carry in your printed posters since the organizers do not have an in-house poster printing facility.

Looking forward to interacting with you at IIT Kharagpur at ISP WS 2015.

Cheers,

Dr. Anoop C.S. and Dr. Debdoot Sheet
School Directors - ISP Winter School 2015
